My portfolio - <https://jessebett.vercel.app/>

## PROFILE

As a highly skilled and experienced full stack web developer, I am passionate about creating dynamic and responsive web applications that provide a seamless user experience. With 2 years of experience in the field, I have developed a strong understanding of front-end and back-end web development technologies.

I am adept at using modern web development frameworks and libraries to create scalable, efficient, and secure web applications that adhere to industry best practices.

## EDUCATION

**Kabarak University**  
**Nakuru, Kenya**

2018 - 2021
